Is Your Life a Juggling Act?

Get Organized With Agendus & Work Smarter!

Between your work responsibilities and your equally crazy home schedule, it's tough to stay on top of it all. That's probably why you bought your palmOne™ handheld in the first place. Sadly, many soon discover that the built-in Datebook and Address book don't deliver all the productivity they had hoped for.

Take Charge of Your Schedule!

Agendus Professional lets you integrate, personalize and customize the way your Calendar, Contacts, Memos and To Do List work together like no other solution can. Create contact histories, link items to contacts with a tap, link photos, add icons to events, manage e-mail and SMS in a single application, view your day at a glance with the new Today view, and more! Without any setup needed, **Agendus seamlessly syncs to either Outlook or the Palm Desktop.**
